Letter:

Week 1: Oo

Week 2: Pp

Vocabulary

different neighborhood alike

similarities differences map

tape measure construction

Tidbits

Tuesday (3rd) our 5th/6th grade buddies will be coming to read with us! They will be interviewing our preschoolers so they can create a story all about them!

On Thursday (12th) we will have a dentist coming into the classroom to talk to us about our dental health!

We will be saying goodbye to our post office and will be opening up a vet!

Please pack hats and gloves for when we are outside.

Practicing at Home

We will send home practice over the letter O and review of the letter N. We will also send home a 0-10 number puzzle. Family Engagement Packs will not go home until March 10th.

These are voluntary practice items to complete at home.
