Tidbits

Our preschoolers and students from the High School are now a part of a Raider Buddy Program. They each received a letter from their CHS "buddy", and we will be working on responses of our own this week! We are looking forward to learning more about and communicating with our Raider Buddies.

As weather continues to change, please make sure to pack hats and gloves in your student's book bag. As well, please make sure all items are labeled with their name.

Practicing at Home

Ask students to show you their sign language hand symbols for letters G through K! When you see groupings of anything at home or in public, use it as an opportunity to practice counting from 1-10!

These are voluntary practice items to complete at home.
