Color: Grey and Review

Number:

Week 1: 20

Week 2: Review

Letter:

Week 1: Uu

Week 2: Vv

Vocabulary

Texture Recycle Sort

Seeds Earth Roots

Tidbits

This week is Earth Day! We will be talking about ways we can help keep our planet clean. Students will learn about recycling and we will talk about different items that we can recycle.

Next week we will be starting our tree study! We will be discussing the importance of trees and how they help our planet!

Please double check your students bag to make sure that they have two masks and an additional set of clothing 😊

Practicing at Home

We will be sending home review over our letter and number of the week. We are discussing recycling in the classroom. Talk with your student about ways that they can recycle at home. Have them help with sorting the objects.

These are voluntary practice items to complete at home.
