Shape: Heart + Rhombus

Color: Review of Colors

Number:

Week 1: Review 12

Week 2: Review 13

Letter:

Week 1: Ww

Week 2: Xx

Vocabulary

Seeds Earth Roots

Bark Birds Texture

Tidbits

We are currently doing our tree study! In the classroom we are discussing how trees make oxygen and the importance of them!

As the weather is warming up, students are welcome to bring their own water bottle to have throughout their preschool day.

Please double check your students bag to make sure that they have two masks and an additional set of clothing ☺

Practicing at Home

We will be sending home review over our letter and number of the week. At home, students can go outside and pick flowers. They can then compare the flowers by color and size.

These are voluntary practice items to complete at home.
