Tidbits

As my time with your children comes to an end, I just want to voice how much I have learned from them and grown alongside them as well. They are such special and bright children and I know they will go on to accomplish truly amazing things. I have treasured my time with your Little Raiders.

-Miss Paine ♥

As weather continues to change, please make sure to pack hats and gloves in your student's book bag. As well, please make sure all items are labeled with their name.

Practicing at Home

We will be learning all about Groundhog day and our shadows, point out your shadows at different times/places so they can see how our shadows can "disappear".

Ask them what they have learned about Dentists and proper tooth care at home!

These are voluntary practice items to complete at home.
