We have an App! Don't forget to download the Columbia Local School District App on Google Play or the App Store to get updates and alerts!

Practicing at Home

In this area, I will include ideas/worksheets that you can do at home to work with your child on what we are learning in the classroom. If you have an idea that works with your student that you would like to share with others, please let me know and I would be happy to include it in our Newsletter!
