## Tidbits

Don't forget to sign up for the School App! While on the app, make sure to "subscribe" to either the "2021-2022 AM Session" or "2021-2022 PM Session" so that you can receive updates!

We will be trying different fruits and veggies this week! We will also be discussing our five senses and how we use them when we eat!

Please be sure to pack an extra set of clothes and a water bottle in your student's bookbag :)

## Practicing at Home

We will be talking about our five senses this week! Talk with your student about their five senses and the different ways we use them. We will also send home practice work for your child to complete.

These are voluntary practice items to complete at home.
