

## UNEXPIRED TERM FULFILLMENT

A vacancy in the board may be caused by:

- a. Death
- b. Nonresidence
- c. Resignation
- d. Removal from office
- e. Failure of a person elected or appointed to qualify within 10 days after the organization of the board or of his/her appointment or election
- f. Removal from the district
- g. Absence from board meetings for a period of 90 days if the reasons for the absence are declared insufficient by a two-thirds vote of the remaining board members, which vote must be taken not less than 30 days after the absence

Any such vacancy will be filled by the board at its next regular or special meeting not earlier than 10 days after the vacancy occurs. A majority vote of all the remaining members of the board may fill the vacancy.

Each person selected to fill a vacancy will hold office for the shorter of the following periods: until the completion of the unexpired term, or until the first day of January immediately following the next regular board of education election taking place more than 90 days after a person is selected to fill the vacancy. At that election, a special election will be held if the unexpired term ends on or before the first day of January immediately following that regular board election.

The term of a person elected in this manner will begin on the first day of January following the election and will be for the remainder of the unexpired term.
