

BOARD POLICY DEVELOPMENT AND ADOPTION

Proposals regarding Board policies and operations may originate at any of several sources including students, community residents, employees, Board members, the Superintendent, consultants or civic groups. A careful and orderly process shall be used in examining such proposals prior to action upon them by the Board.

Final action on such proposals, whatever their source, is by the Board in accordance with this policy. The Board takes action on the basis of recommendations presented by the Superintendent. The Superintendent bases his/her recommendations upon the results of a study or upon the judgement of the staff and study committees.

Unless otherwise specified, a new policy or policy amendment is effective as of the date of adoption by the Board and supersedes all previous policies in that area. Unless otherwise specified, the repeal of a policy is effective as of the date the Board takes such action.
