

SCHOOL BOARD LEGISLATIVE PROGRAM

The Board recognizes the importance of sound and constructive state legislation in establishing the framework and support for public education. It is therefore directly concerned with legislative proposals affecting education.

The Board's legislative liaison member will report to the Board on legislative proposals, and the Board will make its position known both to the Ohio School Boards Association and to appropriate state representatives and senators.

The legislative liaison member will also keep the Board informed of pertinent federal legislative proposals and communicate the Board's position to representatives and senators at the national level.
