

INTERSCHOLASTIC ATHLETICS

1. The superintendent will present the participation fee schedule to the Board of Education annually at the June regular meeting of the Board. Fees will be paid by all members of an interscholastic athletic team at the middle or high school level.
2. The fee will be paid in full two weeks prior to the first regular season contest in each sport and assessed only to those students who have been issued uniforms and/or equipment. Non payment of fees will result in a denial of participation in the activity.
3. In the case of students with financial hardships:
 1. The coach will refer students to the athletic director
 2. The athletic director and principal will make adjustments on an individual basis as the need indicates.
4. Monies collected from these fees will be deposited into the individual building's athletic accounts and reported to the Board at the June meeting.
