

## SUPPORT SERVICES GOALS

The Columbia Board of Education views the support services operations of the school system as essential to its educational effort. The Board serves as trustee of school facilities and overseer of school business operations for the purpose of providing the facilities and services that will support a good educational program.

The Board expects operation and maintenance of the school plant, equipment, and services to set high standards of safety, to promote the health of students and staff, to reflect the aspirations of the community, and to support the efforts of the staff to provide good instruction.
